

## NEW: 4C5 anti-DDK monoclonal antibody (anti-FLAG®)

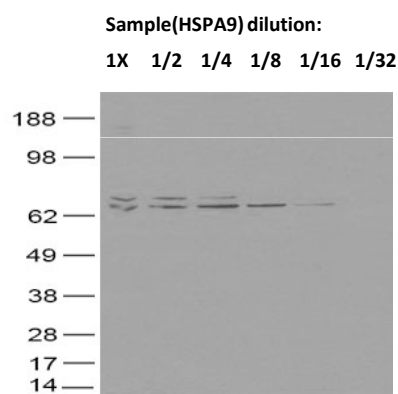

FLAG® is a trade mark of Sigma-Aldrich

Validated for WB, IP, IF and FC

- **Higher sensitivity and specificity** compared to market leader's anti-FLAG® antibodies
- Purify recombinant proteins with high purities and yields
- Detect recombinant proteins with low expression levels

Against 4C5 anti-DDK mAb

Against vendor S M2 mAb

Article n°	Amount	Introductory price
TA50011-100	100 ul	156,-CHF
TA50011-1	1 ml	558,-CHF
TA50011-5	5 ml	1.607,-CHF
TA50015	200 ul biotinylated	301,-CHF
